- December 31, 2019 – First confirmed case of COVID-19 in Wuhan, China.

STATUS OF SHELTER-IN-PLACE

Monterey County Health Officer, Dr Edward Moreno has issued a new Health Officer Order to continue Shelter-in-Place, dated May 26. Once the California Department of Public Health posts on its website the County Health Officer's COVID-19 Variance Attestation form this order allows for the businesses affected by the attestation to open. Until the attestation is posted, the May 1 and May 8 Shelter in Place Orders remain in effect.

This new Order aligns the County Health Officer Shelter-in-Place Order with State Stay-at-Home Order to fully join the State in Stage 2 and continue to move with the State through Stages 3 and 4. The California Department of Public Health is reviewing the County Health Officer's COVID-19 Variance Attestation form.

When the State posts the Attestation, the following businesses and activities may resume in Monterey County.

- Dine-in restaurants with modifications.
- Hair salons and barber shops with modifications.

Businesses must establish a written, worksite-specific COVID-19 prevention plan, provide employee training, screen for symptoms of COVID-19, implement cleaning and disinfecting protocols and maintain physical distancing measures. State requirements for dine-in restaurants and hair salons and barber shops can be found at <https://covid19.ca.gov/roadmap-counties/>.

STATUS OF COUNTY VARIANCE ATTESTATION

Expanded Phase 2 Approved

The California Department of Public Health has approved and posted the Monterey County COVID-19 County Variance Attestation Form which will allow Monterey County to advance into expanded Stage 2. [More information.](#)

Expanded Stage 2 allows the following to open in Monterey County:

- Dine-in Restaurants: other amenities, like bars or gaming areas, are not permitted in Stage 2
- Hair salons and barber shops

Earlier this week, the Governor announced that places of worship and shopping malls would be allowed under early stage 2.

A new Shelter-in-Place Order was also issued yesterday to reflect the changes. Travel for non-essential activities is still not allowed. Apart from worship services, gatherings of people not from your household are not permitted.

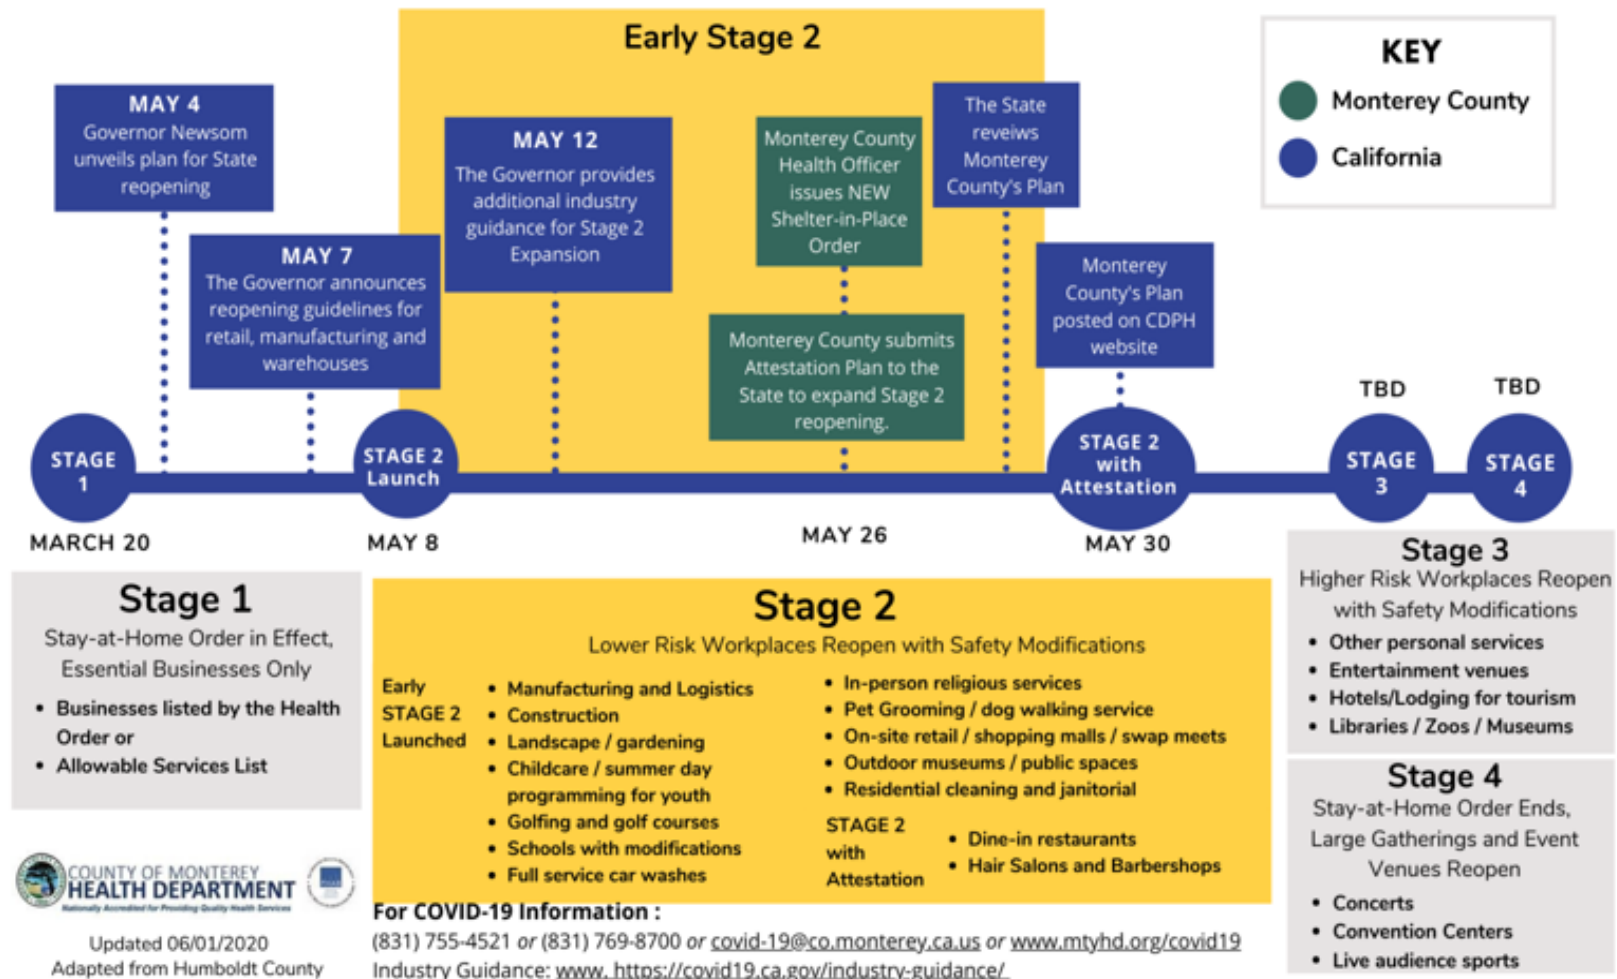

Guidance for the newly allowed businesses is posted on the Monterey County Health Department's website.

MONTEREY COUNTY PROGRESS REPORT

For more information on the variance process visit <https://covid19.ca.gov/roadmap-counties/>

MONTEREY COUNTY ROAD TO RECOVERY

WHAT'S NEXT FOR BUSINESS REOPENING?

STATUS OF THE STATE

Californians have been staying home and saving lives since the start of our statewide stay-at-home order issued on March 19, 2020. These efforts have allowed the state to move forward on our roadmap for modifying the statewide order.

We are now in early Stage 2, where retail (curbside and delivery only), related logistics and manufacturing and essential businesses can open. The state is issuing guidance to help these workplaces reopen safely. [More Information.](#)

Stage 2 expansion will be phased in gradually. Some communities may move through Stage 2 faster if they are able to show greater progress. Counties that have met the readiness criteria and worked with the California Department of Public Health can open more workplaces as outlined on the [County Variance page.](#)

Industry guidance to reduce the risk

California moved into Stage 2 of modifying the state’s Stay-at-Home order on May 8, 2020. Our progress in achieving key public health metrics will allow a gradual re-opening of California’s economy.

We recognize the impact of economic hardship. We must get our economy roaring once again and put paychecks in people’s pockets. But the risk of COVID-19 infection is still real for all Californians and continues to be fatal.

The state is issuing guidance for businesses to follow, if they’re permitted to open per County Public Health rules.
