

## Coronavirus (COVID-19) Update

Friday, April 17, 2020-6:00 pm

Dear Preserve Community,

As of April 15, 2020, there have been 119 confirmed cases of COVID-19 among Monterey County residents. A spike in cases has been reported this past week, with the majority of the new cases identified in the Salinas and South Monterey County areas. You can see the full breakdown [here](#).

The Monterey County Shelter-in-Place Order remains in effect. **As a reminder, compliance of the shelter-in-place order includes the closure of the golf course to all play.** On behalf of the Preserve Golf Club Board of Directors, we would like to thank those who have supported our efforts to comply with the order. Conversely, it has come to our attention that certain members are violating the golf course closure and the Board has prepared a message to address this issue. Please read their official letter [here](#).

Additionally, the Monterey County District Attorney's Office published a warning on April 14, 2020 due to numerous complaints surrounding ongoing construction and landscaping activities. You may view the full announcement [here](#).

The entire shelter-in-place order, as well as some frequently asked questions, is posted on the Monterey County Health Department web-page at [www.mtyhd.org/covid19](http://www.mtyhd.org/covid19).

### Census Information

Thank you for providing up to date information regarding the status of occupancy at your Preserve residence. Currently, the census count stands at 327 household occupants. The Santa Lucia Preserve remains a safe haven for sheltering-in-place during this crisis.

### Reminders

Preserve Advisories will be sent out as the situation unfolds. If you would like further information on COVID-19 here are links to helpful resources:
